NORTH HARRISON R-III SCHOOL DISTRICT—12023 FIR STREET—EAGLEVILLE, MO 64442

NORTH HARRISON

Greetings from Superintendent Johnson

Welcome back to another exciting year at North Harrison R-III School! The school year is rapidly approaching. The first day for students is Wednesday, August 19. We are in the final stages of preparing the building. Danny and Becky Lisle are putting the final touches on the classrooms and hallways, and the building looks great! We are nearing completion of an expansion project of our music room to accommodate the increasing number of students in our music classes.

If you drop off or pick up students in the elementary parking lot, you will notice that we have established a stop sign at our cross walk. This is in response to concerns of student safety while loading and unloading. We ask that you enter the parking lot to the right of the stop sign and circle the lot to exit. We will send your students out as you pull up to the curb to load. All traffic in the elementary parking lot is one-way traffic.

We will continue with three bus routes for the school year 2015-16. Bus #1 will pick up students who live east of I-35, as well as some students in Eagleville. Bus # 2 will make pickups south and west of Eagleville. Bus #3 will pick up students in the Hatfield area and north of Eagleville. You may contact your driver during the week of August 10-14 to get an estimated pick-up time. Please allow 10 – 15 minutes before and after your pick-up and drop-off times until the routes are established.

Our early dismissal time will be 12:45. If we dismiss early due to weather conditions, we will try to make it to the 12:45 dismissal time. Please listen to local radio stations such as KAAZ FM 95.5, or sign up for Farmers Bank Connection for school cancellations. You may also check the school web page for school cancellations and other school information.

The Board of Education and staff at North Harrison R-III continue their efforts to provide the best educational experience for every student in the district. I encourage you to be involved in your child's education by getting to know your child's teachers, and develop a positive working relationship. Open and honest communication between the teacher and home is the most important factor to ensure a positive educational experience for your child.

Please visit our website at www.nhr3.net. We are very proud of our website, and you will find lots of information regarding events, activities, and news about the district.

News from the High School Principal

Dear Parents and Students,

Welcome to the new school year! I sincerely hope you have enjoyed your summer and are rested and relaxed, ready to learn and achieve.

I believe that strong community-school relationships are critical for high learning achievement and I appreciate the support, involvement and enthusiasm from the North Harrison community. This community recognizes the value of educational opportunities and extracurricular activities. Students, parents, the administration, and the dedicated teachers and staff here at North Harrison, working together as a team, expect excellence both inside and outside of the classroom. Our students reflect these expectations through their character and commitment.

It is our desire to keep you informed of all that is taking place at school. The student handbook provides important information about our school's philosophy, procedures, and policies. It is a guide to the way we operate as a school. Also included in the handbook are behavioral expectations and guidelines for students. There have been some changes since last year, so everyone should read the handbook carefully and use it as a reference throughout the year. Also, keep an eye on the school website and the information that is included in regular newsletters.

It is a pleasure to welcome new staff member Mrs. Erica Eakes, who will be our Special Education teacher.

I would encourage you to take the time from your busy schedule to become familiar with the teachers and staff at our school, as well to create a homework-friendly environment. Thank you for your commitment to your child's education.

It's GREAT TO BE A SHAMROCK!

Sincerely,

Mr. Mike Schmidli

Update to Courses Listed on the "Weighted Scale"

The criteria used at North Harrison to give a course "Weighted Class" status has been updated. Courses earning the "weighted" status are those considered above the high school regimen and classes taught for college credit. Courses on this list beginning with the 2015-16 school year include: Chemistry, Anatomy, Physiology, and classes taken for college credit. They are marked with a "#" sign on the students grade card and transcript.

Classes complying will have the grade point earned multiplied by 1.3. (For example, earning an "A" in a non-weighted class would amount to a 4.0 gpa, while earning an "A" in a weighted class would earn a 5.2 gpa.)

Several courses have now been REMOVED from the "weighted scale" beginning with the 2015-16 school year. So, if you're comparing a 2015-16 gpa to a past student taking the same course you will notice a difference.

Our administration feels this change will more accurately reflect the rigorous work needed for these advanced level courses.

Career Center Students

North Harrison students will attend North Central Career Center in Bethany during the afternoon session. The bus will leave NH at approximately 11:40am.; loading and unloading at the south entrance of the school building. It is anticipated that the bus will return to Eagleville at approximately 2:30pm.

The first day for students to attend classes at NCCC will be Monday, August 24.

NH students MAY or may NOT attend classes at NCCC on days NH has early dismissals; this is their option.

Dual Credit Courses Offered to Qualifying NH Students

NH students can get a jump on their college education earning college credit while enrolled in our high school classes. Students must meet the qualifications outlined by the sponsoring college.

The student is responsible for payment of \$50 per credit hour (\$150 per 3 hour course, per semester). The North Harrison School District will cover the remaining cost. The fee is due with the Dual Credit Enrollment Form and is payable by post-dated checks to North Harrison School District, which will be receipted on the day indicated. Those not presenting payment may still enroll in the course; however, the work will be for high school credit only.

Courses offered as Dual Credit Classes this school year include College Algebra and College Trigonometry taught by Mr. Mecca, College English taught by Mrs. Rivera, Government and American History taught by Mrs. Percell, and Biology proctored by Mrs. Stoll. Cooperating institutions include North Central Missouri College in Trenton, Truman State University in Kirksville, and Missouri Western State University in St. Joe.

Enrollment/Registration Forms and PAYMENT for these courses will be completed during REGISTRATION!

News from the Elementary Principal

Dear North Harrison Parents/Guardians,

Our summer vacation is nearing the end and it is time to start planning for our 2015-16 school year. We are excited about all the opportunities that our new school year brings for North Harrison Elementary students and staff.

We are pleased to introduce 3 new staff members joining our Shamrock family; Mrs. Velma Johnson (Kindergarten), Mrs. Rose Waldeier (6th grade), and Ms. Chandelar Carey (paraprofessional). We look forward to them being a part of our school.

We encourage you to be informed about what is happening at school. The best way to keep up to date on all events is through our school website, www.nhr3.net. This will also allow you to link to the teacher web pages, as well as "Teacherease", our online student information system. We encourage all parents to sign up with this program to stay updated on all of their child's current grades, account balances, and school announcements.

Please plan on attending our Back to School Night on Monday, August 17 from 6-7pm. Students may bring in their school supplies, meet their teacher, and enjoy a hot dog provided by the North Harrison PTO. We will have a full day of school on Wednesday, Aug 19. Our school supply list is available at Bethany Wal-Mart and on our website. We look forward to a GREAT year at North Harrison Elementary. It's a good time to be a Shamrock!

Before— and After-School Clubs

Many staff members will be offering before— and after-school enrichment events for the students to participate in. These clubs usually meet on specific days, each morning, or Tuesday through Friday after-school during the months of September through April.

A listing of this year's offerings will be available soon!

Remember that your student will need a note to stay after EACH TIME!

After School Activity Notes

Notes are required to excuse a child in grades PS-6 from riding the bus home or to permit the child to leave for a destination other than home. These notes must be in the office by 8:30 am the day of the changed destination or the child will go to their normal after school location. No changes can be made after 12:00 pm unless an extreme emergency arises. Any student staying after school for clubs or activities must have a note from home each time giving them permission to stay.

BACK TO SCHOOL NIGHT!!

Pre-School through 6th Graders
Monday, August 17
6:00-7:00 pm.

Bring your supplies and meet your teachers.

Please bring your students proof of immunizations form.

PICK UP your student's demographic sheets and food service application.

www.teacherease.com

If you have forgotten your password, simply click on "log in". A screen will appear with the choice "oops, I forgot my password". Your password will be emailed to you.

If you need to change your email address or are a first-time user needing an account please contact Lisa Gibson.

Student Insurance Coverage

If you should need affordable accidental injury insurance coverage for your student (Pre-K through 12th grade), the school has coverage available through K & K Insurance Group. Coverage is available for as little as \$29 for the entire school year. They also offer plan options.

The company will notify NH of the plan purchased. Claim forms may be picked up at Lisa Gibson's office as needed. A packet is needed for each child and will be distributed with each students Demographic forms or you may pick one up at one of our offices. You may purchase coverage at any time during the school year! A student MUST have proof of insurance for try-outs, practice, or participation in cheerleading, basketball, softball, track or MARCHING BAND!

We will also have application forms available for MO HealthNet for Kids, Missouri's Health Insurance Program.

The proceeds from items sold through the junior/high school office and Wal-Mart benefit our "Wall of Fame" displays, student incentive programs, and school beautification projects.

The elementary will again place orders for Shamrock apparel through the Blue 84 Spirit program. You can order items online at www.bluespirit.com/MO1511 or by using a paper order form available at school. The first order window will be open through September 9.

Proceeds from these sales benefit elementary student incentives and activities.

Directory Information" is information contained in an education record of a student that would not generally be considered harmful or an invasion of privacy if disclosed. The school district designates the following items as "Directory Information": student's name, parent's name, address, telephone number, electronic mail address, date and place of birth, grade level, major field of study, enrollment status (e.g. full-time or part-time), participation in officially recognized activities and sports including audiovisual and photographic records of the openly visible activities thereof (e.g., artistic performances, sporting contests, assemblies, service projects, awards ceremonies, etc.), weight and height of members of athletic teams, dates of attendance, degrees, honors and awards received, most recent previous school attended and photograph including photographs of regular school activities that do not disclose specific academic information about the child and/or would not be considered harmful or an invasion of privacy.

Parents will have ten (10) school days after the annual public notice to view the student's "Directory Information" and to provide notice in writing to the school district that they choose to not have this information or any portion of the "Directory Information" released, understanding the student will not be included in public releases, including but not limited to the school yearbook. Unless notified to the contrary in writing within the ten (10) school day period, the school district may disclose any of those items designated as "Directory Information" without the parent's or eligible student's prior written consent including in print and electronic publications of the school district.

The final day to give North Harrison School District written notification will be Tuesday, September 1, 2015.

Parents may also indicate by this deadline that they do NOT give permission for their student to participate in anonymous surveys required by Safe & Drug-Free Schools and Communities.

Extra Entrée – Extra Milk

All Students, at an extra cost, can purchase an additional entrée or milk offered as part of the school lunch program. For example if a student wants an additional slice of pizza, then that extra entrée can be selected in the lunch line and charged to the student's account. Extra entrees are only sold to students who first purchase a school lunch. Again, all students can have extra servings from the Fruit & Veggie bar at no additional charge. All extra servings of these items are free. If a student receives a free or reduced-price meal, they receive one entrée and milk with their meal; they must have money in their account to purchase any extra entrees.

School Lunch Account

The District's Lunch Account Policy for the 2015-16 School year is located in the Student handbook. The District allows students to charge up to \$12.00. When an account balance is low, students receive a minimum of three reminders to bring lunch money. At this point, when an account reaches a negative \$12.00 all charges will **stop**. If the student is a free student they still will be able to purchase a school lunch, but no extra entrées will be allowed.

A Point of Sale (POS) software system is used for the school lunch program. Please note the following important information:

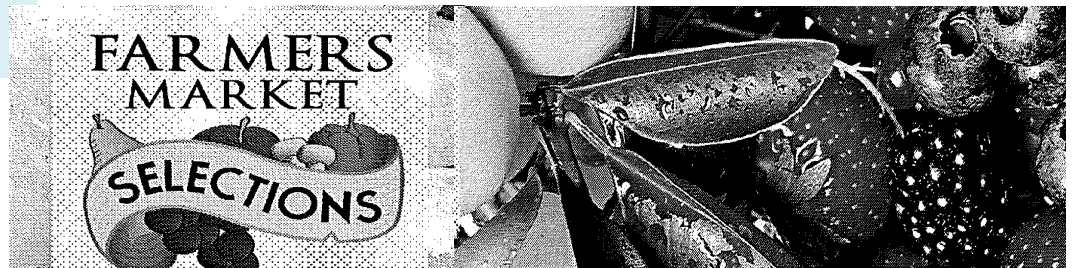

- Each student will have his/her own individual Student Account.
- If sending cash with a student, place in a sealed envelope, along with the student's name and lunch account number. We are not responsible for lost, unidentified, or stolen cash.
- Deposits should be turned in by 9:00 a.m. at the student's school.

Lunch Account Deposits must be made before school starts. Because we receive an overwhelming amount of deposits the morning of the first day of school, we cannot guarantee that we will be able to input all deposits into accounts before the lunch period begins. To insure that your deposit is credited to your student's lunch account on the first day of school, please send your first deposit, for each student in your family, to the address below:

Applications for Free and Reduced-price meals can be picked-up at the District Administration Building, or are available at the school website on the "Food Service" page. All students will be at Paid status on the first day of school, unless the Free & Reduced application has been received and approved prior to the first day of school.

Outside Food and Beverage

The District does not allow the delivery of food or beverages from outside vendors or fast food establishments for a student's breakfast or lunch meal. All meals are to be provided by the District's School Food Service or a prepared meal from home may be sent with your student. No soda pop is allowed during the breakfast and lunch serving times.

Diet Modifications

Families are responsible for notifying the School Food Service if their child requires a diet modification because of a life threatening disability. A licensed physician must provide specific written medical documentation. Please contact Kendra at 660-254-8655 for more information.
