November 2013-14 Edition

Early Dismissal Notice

Our school calendar has 170 student attendance days, with 14 days in which students will be dismissed early for teacher in-services or other reasons. If we dismiss early due to weather we will try to make it to the 12:40pm dismissal time. This year's school calendar also includes a full day off on Wednesday prior to Thanksgiving and a Spring Break from March 10-14. Most weather make-up days are scheduled for the end of the school year.

For school cancellation or early dismissal notice please listen to KAAN Radio FM 95.5, check the school Info Line at 867-1234, check the webpage at www.nhr3.net, or sign up for "Community Connection" to receive a free text message. (Sign up via the North Harrison website under the "Links" tab.)

New Staff

The 2013-14 school year is off to a tremendous start. There were some new faces joining us at the beginning of the school year and unfortunately some have already moved on to other opportunities making way for MORE new faces!

Liz Betts is the new music director for Pre- K through 12th grades. She has initiated Color Guard, while sponsoring Drumline and the Sophomore Class.

Alex Irvin, Rachelle Kerr, and Brittany Claypole have joined the elementary Special Education department assisting in classrooms.

Kara Smith is the A+ Coordinator, K-12 Guidance Counselor, and High School Student Council sponsor.

Lori Craig is teaching the 5th grade and assisted with the junior high girl's softball team.

Brian Burton from Mercer has joined the transportation team.

Heidi Kolodiejski is a new employee of Lunchtime Solutions working in Food Service.

Holiday Activities Planned

Music Director, Mrs. Betts, and her students have already filled the hallway with holiday music as they practice a variety of pieces for our Christmas concerts. The performance groups will be a bit different this year so be certain to mark your calendar as follows—

Monday, December 2—Kindergarten through 4th Grades 6pm

Monday, December 9—5th through 12th Grades. 6pm

KC Wolf Visits NH! Thanks to the PTO for making this possible!

North Harrison Elementary

News from the Principal

November 2013

We have had a wonderful start to the 2013-14 school year at North Harrison Elementary. The school day is filled with new and exciting opportunities for all of our students. We like to encourage our students to be here at school and we can't emphasize enough the importance of regular attendance. Our elementary students have been adjusting to the new Common Core Standards in several areas of instruction. One of those areas is the new "My Math" curriculum, which places emphasis on critical thinking skills.

We have had a lot of different activities take place and I'm sure that your students have told you about some of them. Our Grandparent's Day was again well attended and the students love to share their school with their special visitors. Red Ribbon Week was held in October and it was kicked off with a visit from "KC Wolf" from the Kansas City Chiefs. The students had a great time hearing about how to "be a buddy, not a bully." Our Fall Family Fun Night was a great night for families to do some fall activities together at school. All of the students participated in our "Together we CAN make a difference" food drive for the Harrison County Food Pantry. Our students donated 1,401 pounds of food. Finally, the students just completed writing letters to a veteran. The North Harrison Veteran's Day assembly provided several of our students the opportunity to showcase some of their talents through artwork, essays, choir, and band. The assembly was a moving tribute to our deserving veterans.

The 21st Century Learning Grant provides our students with additional learning time after school through tutoring and after-school clubs. Students are encouraged to take advantage of these opportunities. Please remember to send a note each time your child plans on staying after school.

At this time of year when we are thankful for our blessings, we are so grateful that you share your child with us. May you and your family have a happy and healthy holiday season.

Jan Polley

Elementary Principal

Kason Mathes—Nerd Day

Taylor Richards and Skyler Todd attempt to make a paperclip chain while wearing gloves. This simulates fine motor impairment caused by drugs and alcohol.

Collin Briggs gets to try on the KC Wolf outfit!

Grandparent's Day by Randy Barth

The elementary celebrated Grandparent's Day on September 6. It was really fun because my Grandpa came to see my school and my classroom. I showed him what I do in 3rd grade. It started out in the multipurpose room. It was exciting when I saw my Grandpa sitting in a chair when I went on the risers to sing a song. In the program Kindergarten sang a song, 1st-3rd sang, and then 4th-6th grades sang together while a memories video was showing. After this we all went back to our classrooms to spend time with our grandparents. We also took turns going to the cafeteria for cookies and lemonade. The elementary kids want to thank all of our grandparents for coming to our school and spending time with us.

Trendi Johnson impresses her grandparents, Ron and Teresa, with her computer knowledge.

Keygun Johnson attempts to carry a paper cut-out with a straw!

"Lights Out After Dark" Event by Mary Beth Collins

My Mom and I attended the "Lights Out After Dark" event on October 17th. The elementary teachers had different games and activities for us to do and play. Mrs. Braddock and Miss Stanislaus has a game where you use a straw to get the little paper cut-outs in a container in the middle of the room. They had scary music during it and the room was dark. Mrs. Roberts and Mrs. McKiernan did glow in the dark pumpkin bowling. You got candy for playing and trying to get a strike. Mrs. Hartschen had Halloween Bingo. In the lunchroom Mrs. Craig did pumpkin cookie decorating. The cookies were very YUMMY! Mrs. Irvin and Mrs. Kimbrough did an art activity where you stapled two colored paper plates together and stuffed them with newspapers to make them look like a pumpkin. I look forward to this again next year!

Anna Owens doesn't want to be bullied!

Braxton Sexton says, "Don't get roped into drugs."

Red Ribbon Week Event

The week of October 21-24 the students celebrated Red Ribbon Week. This is a week devoted to drug awareness and healthy lifestyles. The elementary guidance classes focused on making good decisions, the effects of second hand smoke, and how smoking effects our bodies. The elementary students all participated in a door decorating contest. The fifth grade had the winning door with a theme of "Drugs will HAUNT you for life."

After-School Clubs

The elementary is a bustle of activity every day with students staying after school to enjoy extended learning experiences. There are 8 clubs to choose from with an average of 50 students participating each evening.

Elementary Choir by Rainey Fordyce

In elementary choir we get to sing a lot!. We have lots of fun. We get to go on trips to sing in front of lots of people. We have a great group of singers. In choir we have so much fun. In a couple of days we get to go to a nursing home. We will be taking the vans to Bethany's nursing home (Crestview). Choir is awesome and fun. We are having our very own Christmas party. I think Choir is the best club ever!

(Emma Jones sings out loud!)

STAR Reading

STAR Reading Club is sponsored by Mrs. Roberts. This time is for students in Kindergarten through 2nd grade. It provides preparation for students in Accelerated Reader. They use the "Reading Eggs" computer program to enhance reading skills and to provide activities to meet the students AR Goal. STAR Reading members include Maverick Barth, Remington Barth, Ashlee Cannon, Aubree Cannon, Tristan Crowley, Isabella Frank, Kylan Hale, Lela Hartschen, Kyler Kimbrough, Miah McIntosh, Kira Robertson, Rylee Valenti, Janessa Willis, Kayka Wilson, and Kimberly Stretch.

Science Club by Deva Wallace

I am writing about the after-school Science Club. The person that teaches Science Club is Mrs. Jenny. Science Club is very fun. We do science experiments. We make stuff like flarp and carbon dioxide bags. We watch "How It's Made" when we are eating our snack.

Cooking Club

Each Tuesday night students in fourth, fifth, and sixth grade gather for Cooking Club. This is the first year for this club which is sponsored by Mrs. Smith. We spend an hour each week learning about kitchen utensils, cooking terminology, how to read recipes, as well as other cooking skills. To this point, the club has prepared scrambled eggs, apple turnovers, and mini pizzas. The club members will soon be preparing cookies to deliver to others

(Rainey Fordyce, Sara Clawson, Nick Mickelson, Abby Clawson, and Kennedie Baxter whip up some scrambled eggs!)

AR Club by Austin Frank

AR Club is Tuesday after school from 3:15-4:15. It is for kids in 3rd through 6th grades. We read books and then take quizzes over them. We are allowed to sit with beanbags and pillows around the room. It is a fun club!

Elementary and Junior High Honor Choir by Grant Claycomb

Honor Choir was a fun experience for me. I think the other 16 kids had fun too. We left at 6:40am to head out to Platte City. It was about a 2-hour trip going there. When we got there a person showed us around the school. It was big! The 5th & 6th grade had a one-hour rehearsal and then a small break, and we had lunch. The food was cheap and really good. There were hot dogs, nachos, and hamburgers. Then we had another full rehearsal and practiced in the gym. Then we got dressed for the concert. We sang Funga Alafia, I Give You A Song, Pink Panther, and Three Quotes by Mark Twain. This all happened by my music teacher Mrs. Betts. If you are reading this Mrs. Betts, thank you.

(Students participating were Naomi Thomsen, Ashton Berendes, Isabelle Rucker, Olivia Babinski, Sally Briggs, Mar-dee Sadowsky, Ryan Thomsen, Collin Briggs, Rainey Fordyce, Kami Gibson, Lola Breshears, Grant Claycomb, Ashlynn Niffen, Elizabeth Parkhurst, Addie Slaughter, Landon Brown, and Kayden Ury).

Student Council Events by Kelly Briggs

The 2013-14 Student Council has accomplished a lot. The officers are President Bailey Perkins, Vice-President Megan White, Secretary Kelly Briggs, and Treasurer Reed Hallock. The others elected to represent their class are Riley Rucker, Blake Emig, Alyssa Wynne, Haley Craig, Emily Briggs, Brennan Gilliland, Hannah Whitmire, Ethan Valenti, and Logan Craig. Our sponsor is Mrs. Smith. Since the beginning of the school year we have had a 1st Annual Battle of the Classes. We had smores, hot dogs, games, and hot chocolate. The colorguard and drumline performed to kick off the night. The games were very fun. We had a Dance Off, Chubby Bunny, Mummy Wrap, and some other games. I would say my favorite was the frozen t-shirts because no one could get the shirts apart. Red Ribbon Week was fun. The dress-up days were successful. We had a Food Drive. The class with the most would win a pizza party. The day the drive was to be over two classes were tied. Mrs. Smith then extended the last day to collect cans to Monday of the next week. The Freshmen had 301 cans winning a pizza party. There were 651 items donated from the high school. (The elementary accumulated 1,188 items with the 4th grade contributing 388 and winning a pizza party compliments of the Harrison County Food Pantry which was the beneficiary of the event.)

I hope the Student Council has a successful year and accomplishes what we need to.

(Mrs. Smith, Student Council Sponsor, conducted an unannounced seat belt check early in the school year and reported 69% of the riders and drivers were buckled. Another random check weeks later resulted in 92% secured. Those who were buckled this day earned a BUCKLED UP t-shirt compliments of the Missouri Department of Transportation.

FFA by Sara Campbell

On September 27 we had our chapter BBQ and Work Auction. Our chapter had around 475 people that attended. We served pulled pork, cheesy potatoes, cole slaw, and rolls. The auction went great with each member selling for eight hours of work. The evening netted just over \$9,000 to support the FFA.

On October 12 we had our Chapter Barnwarming. We loaded up and went on a hayride then we enjoyed smores, hot dogs, and cocoa at the Ed Hale farm. The members and their dates had fun with chubby bunny, seed spitting, cider chugging, and dancing. It has been a great year with fundraising going on now. We have a great contest year ahead of us.

Barnwarming Queen Bailey Perkins, King Riley Rucker
Candidates: MacKenzie Bonine, Allie Stanley, Alyssa Craig, Clay Parkhurst, Cory Thurman, and Reed Hallock.

FCCLA News

Breann Bennett competed in the **National STAR Event competition** this summer and earned a gold medal for her presentation. She was accompanied on the trip by Elizabeth and Lyndsay Bellinger who assisted with the event, and Brenda Adcock, Advisor.

The **2013-14 FCCLA Officers** are: President Kelly Briggs, Vice-President Sara Campbell, Secretary Breann Bennett, Treasurer Emily Briggs, Reporter Elizabeth Bellinger, Recreation Leader Bobbie Moore, and Historian Hannah Whitmire. We have two Regional Officers this year; Kelly Briggs, Vice-President of Recreation and Emily Briggs, Vice-President of Special Event.

In October the FCCLA sold **RADA** kitchenware and food as a fundraiser. All proceeds from the sales help pay for leadership conferences, STAR Events, and chapter activities.

One of the National FCCLA campaigns is **"It Can Wait, Don't Text and Drive"**. Our chapter joined the cause by creating colorful and informative posters to hang around the school. We had students and staff pledge to not text and drive, handed out candy with meaningful messages, wrote the message in cups in the ballpark fence, and gave thumb bands and stickers to students.

Our chapter attended the **October 9 Regional Meeting** at NWMSU. The theme of the meeting was "Greatest Show on Earth". Keynote speaker, Scott Backovich, has a humorous message. Alyssa Wynne competed in the talent contest hoping to be selected to perform at the 2014 State Conference in Columbia. Results will be known in December.

On October 12 and 13 we had a funnel cake stand at the Car Show in Bethany. We sold funnel cakes, mini fruit pies, coffee, hot chocolate, water, and pop.

We ended October with a pumpkin carving contest. The FACS classes decorated Halloween cakes, as well as other treats, for the event. Pumpkin Carving winners were—1st—Sara Campbell, 2nd—Marshall Vaughn, and 3rd—Emily Briggs.

December 8 the FCCLA will host an After-Church Dinner at the Eagleville Community Room and accept free will offerings. Our tentative menu is meat balls, cheesy potatoes, green beans, hot roll, dessert, coffee, tea, and water. We invite you to attend, and if possible, let one of the officers know you are coming. Or, email Mrs. Adcock at adcockb@nhr3.net, voice mail her at 660-867-5221, ext. 140.

At left, Eagleville Mayor, Cheryl Mossburg signs an "It Can Wait, Don't Text and Drive" proclamation.

National Honor Society by Betsy Smith

Last spring the National Honor Society inducted six new members, Tanner Sturdevant, Cooper Sadowsky, Samantha Rinehart, Betsy Smith, MacKenzie Bonine, and Reed Hallock. Mr. Mecca, the sponsor, along with Taylor Claypole, Kelsey Baxter, Hannah Eastin, Nicole Clawson, and Abbe Gibson welcomed the new members during a ceremony. Newly elected officers are President Taylor, Vice-President Hannah, Treasurer Tanner, and Secretary Betsy.

On September 18 we held our annual blood drive. Many students and community members participated. We collected 30 pints which is a new record! The National Honor Society members would like to thank everyone who donated and helped to save a life!

At right, Jordan Hurt was a first time donor.

HDC Music Day by Hannah Whitmire

Our entire high school band and a few choir students left at 8am on October 14 to travel to the North Daviess gymnasium. The choir spent the day with a wonderful director, Becky Clark. The band spent the day with another wonderful director, Danny Watring. Students representing each of the eleven schools in the HDC Conference participated. The choir and band practiced many different pieces for the concert that began at 5:30. The band played "The Tempest", "El Tango", "Music from Pirates of the Caribbean", "Imperium", "Off To The Races", and "Legend of the Alhambra". The choir practiced songs such as, "Sing a Joyful Song", "Can I Ride?", "You Raise Me Up", "Play For Me a Simple Melody", and "America, Our Home". Everybody had a really fun day, met some new friends, and got to catch up with other friends, all while enjoying music.

Drumline by Emily Briggs and Bobbie Moore

A couple of people can turn things around! Drumline has been enjoyable so far. This year started with camp over the summer with enough members to play the main instruments. Some members graduated and new members joined. We attended our first contest at Missouri Day Marching Festival and placed 3rd of five entries in I-A Indoor Drumline earning a trophy, and was only two points away from the first place score.

Drumline will be performing at many home games this year and trying new things. We look forward to adding to our trophies next year and thank Mrs. Betts for her time and effort. Drumline members are Bobbie Moore, Trey Gilliland, Emily Briggs, Hannah Whitmire, Sally Briggs, Kelly Briggs, and Rebecca Musser.

District Choir Auditions

North Harrison was well represented at District Choir Auditions. Practicing for the try-out were Freshmen Kelly Briggs and Trey Gilliland, Sophomores Alyssa Wynne and Sara Campbell, and Junior Cooper Sadowsky. Cooper was selected for a position in the Alto section. The District Choir will perform October 26 at Platte County High School.

The "Singin' Shamrocks" will perform

Wednesday, Nov. 20

6pm NH Cafeteria

Colorguard

by Kelly Briggs and Bobbie Moore

From the beginning of camp in the summer to the day of competition, we practiced and practiced until we had it just right! Our performance was October 19 at Missouri Day Marching Festival in Trenton. We competed in the Indoor Auxiliary section. We were the first to perform and set the bar. The rest of the day we watched other schools to check out our competition. We placed 6th of nine teams in the I-A section. That is not bad for our first year! Our team members competing were Sally Briggs, Emily Briggs, Kelly Briggs, Bobbie Moore, and Hannah Whitmire. We decided to let other students join and thought only two or three would want to but ended up with 10 more! Practice will be simple until they know all of the techniques. I look forward to a successful year.

District Band Auditions

by Audry Briggs

The 2013 District Band Auditions were on November 2. Two band students from NH auditioned, Sophomore, Bobbie Moore, and a 8th grader, Audry Briggs. The two students worked very hard to prepare for this. Neither Bobbie or Audry had ever experienced a solo audition. They both had a great performance and got to experience a new type of performing. Audry auditioned for Junior High District Band. She was selected for the Honorable Mention Band placing 18th out of 52 clarinet players. Bobbie did a great job for her first time auditioning for High School District Band but with tons of flutes participating, Bobbie didn't quite make it. The girls did great and so did Mrs. Betts preparing them.

Christmas Concerts

K-4th Grades Mon. Dec. 2 6pm

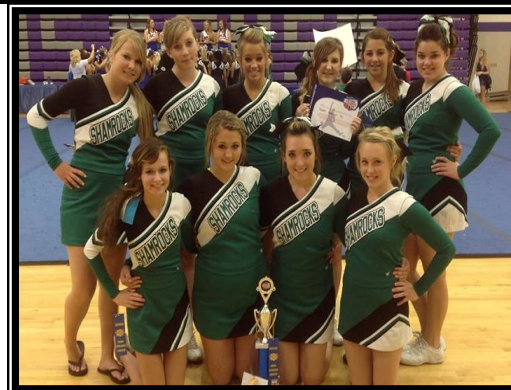

5th-12th Grades Mon. Dec. 9 6pm

Cheerleaders by Taylor Claypole

The North Harrison Cheerleaders are very excited for another great year. We have been in preparation for the season since June through practicing and the camp we were fortunate enough to participate in. June 17th -20th the cheerleaders traveled to the Great Wolf Lodge in Kansas City to participate in the National Cheerleader's Association's (NCA) cheer camp. This was definitely a new experience for the squad and very challenging. As a squad, we earned a superior ribbon on all of our evaluations. Also, Taylor Claypole and Hannah Eastin received All-American Nominee which was a great honor. The NCA cheer camp benefitted us greatly and it was tons of fun! We also have two new coaches this year. Julie Rivera and Chris Rivet will be our fearless leaders for the 2013-2014 cheer season and we are thankful to have them. New members to the squad this year include: Senior Samantha J alas, Sophomore Sara Campbell, and Eighth Grader Payton Craig. Returning this year are: Seniors Taylor Claypole, Kelsey Baxter, Hannah Eastin, Junior Betsy Smith, Sophomores Allie Stanley, Alyssa Wynne, Freshmen Carli Brenizer, Adrienne Fordyce, and Eighth Grader Audry Briggs. Together these girls make a strong, enthusiastic squad. As we are nearing the end of Junior High basketball, we are practicing and preparing for the Varsity season. The first Varsity game will be at home on the 26th of November.

Cheerleaders earn "Most Improved" trophy at NCA Camp! (Not pictured are Payton and Audry.)

Junior High Girl's Softball by Payton Craig

This year's junior high softball season was successful. We ended the season with a record of 12 wins and 2 losses. We had a good number of girls with six 7th graders and six 8th graders.

Our team pictured at right included Sarah J alas, Heather Musser, Sally Briggs, Hannah Whitmire, Olivia Babinski, Audry Briggs, Mason Cracraft, Payton Craig, Elizabeth Parkhurst, Brandy Rivet, Cheyenne Peterson, Addie Slaughter.

We won the majority of our games this season. Our first loss was to Worth County with a loss of 1-2 in 9 innings. Our only other loss of the

season was to Trenton in the Trenton Tournament. Not only did we place 2nd in the Trenton Tournament, but we won our 2nd Annual North Harrison Junior High Tournament. Coach Schmidli, says, "I'm extremely proud of what these young ladies were able to accomplish. The 12 wins exceeded my expectations. Season highlights included winning the NH Tourney with wins over Plattsburg, Albany, and Princeton, defeating Jefferson, Hamilton, and an eight inning win over Stanberry."

I asked 8th grader Brandy Rivet and 7th grader Olivia Babinski what they have learned this year. Brandy Rivet says, "This year I have learned to take the role of a leader by being patient and helpful with my teammates." Olivia Babinski says, "I learned that fundamentals are important, like watching the ball all the way into the glove." I am proud to have been a part of the junior high soft-

Varsity Boy's Softball by Luke Stanley and Gaige Blake

This year the boy's softball season went by very quick. There was a lack of teams to play having only six teams in the conference and eight teams in the whole state. The HDC Tournament came around and we made it to the Championship game against Winston. We ended up losing that game and got 2nd place. At the State Tournament in Chillicothe we played Jefferson for 3rd place but fell short and earned 4th place. Our final record was 6-6 overall; 4-2 in the conference. Senior players were Goober Blake, Luke Stanley, and Riley Rucker.

Coach Craig
HDC Girl's Team
Coach of the Year

Varsity Girl's Softball by Abbe Gibson

This year the North Harrison Girl's softball season was very successful. We set many goals, many of which were achieved! The Lady Shamrocks went 15-6 on the season. Something new the girl's softball team participated in this year was a softball slam in Bethany where we played four innings of two games against Worth County and South Harrison. The first tournament of the season was the Albany Tournament where we received 6th place. For the third year in a row, the Lady Shamrocks won the Conference Tournament as well as first place in the Conference, going undefeated. Unfortunately the North Harrison Tournament got rained out this year. The District Tournament was held here at North Harrison and we played a good game against Princeton but unfortunately lost 7-13 placing us second in districts. Coach Craig was named the HDC Conference Coach of the Year. Coach Craig commented, "I thought we had another good season this year. The girls went undefeated through the HDC Conference going 8-0, and won the HDC Tournament for the third year in a row. The girl's improved through out the year, they worked hard and played together. We fell short in the District Championship to a good Princeton team, but all in all, we had a very successful year."

Junior High Girl's Basketball by Alyssa Craig

I believe that leadership is very important on and off the court. I believe that our team has a great group of girls who are willing to step up and be leaders. I think with that being said, that's what has made us so successful so far this season. Our success as a team has not only come from our hard work, but the support of our fans as well as Coach Long. I recently sat down with Coach Long and asked him about his thoughts on the season so far, and here is what he said, "We have had a good group of girls this year who are willing to work hard. They enjoy the challenges that come along with being part of a team and I can see the joy that comes when they are successful in their hardwork." We just want to say one last big "Thank You" to our fans and our coach for helping us accomplish so much already this season. "Once a Shamrock, Always a Shamrock".

Junior High Boy's Basketball by Kevin Owens

On the Junior High Boy's basketball team this year is Freshmen Clay Parkhurst, Kevin Owens, Chase Hukill, and Derek Adcock; 8th Graders Shaie Thomsen, Ryan Thomsen, Cameron Hamaker, and Collin Castleberry; 7th Graders Logan Craig, Lane Huitt, Logan Huitt, Gavin Garrett, and Tyler Lundy. The managers are MacKenzie Bonine and Shelley Rucker. The Coach is Ryan Purdun. Coach Purdun says we are getting better every day and that if we play at our fullest potential we will only improve.

Cameron, Collin, Clay, JD, and Logan prepare to defend the basket.

Winston Junior High Tournament Champions

And scheduled to play in the Championship Game of the Mercer Tournament

“My Success” Event

On October 10, the sophomores trekked to St. Joe to attend the MySuccess Event. Over 2,500 sophomores from 51 area schools attend the career exploratory event. Prior to the trip, the students completed interest inventories and career research with Mrs. Smith. These inventories placed them into career paths in which they might have an interest. Once they arrived at the MySuccess Event, they were able to visit with nearly 75 different business or organizations about the skills needed for their specific jobs, what their job entails, and participate in hands on activities. The students were able to do everything from design their own dress to handling various types of meat and animal organs. This was an excellent career learning opportunity and helped spark the interest in a new career path for some students.

Varsity Basketball Shamboree November 23, 2013

4:00	Milan vs King City	Girls
4:25	Milan vs King City	Boys

Eagleville Health Fair

Thursday, Nov. 21 — 1:30 to 6:00 pm ★ Multi-Purpose Room, North Harrison R-III

LIBRARY OPEN TO COMMUNITY!!
 Community members are WELCOME to stop by the library open until 6PM each Tuesday. Stop by and use the computers, look at magazines, check out a book!
 The library has a great resource book for those wanting to study for the ACT!

Flu Shots	Flu shots are fully covered by Medicare and Medicaid; only \$25 for self-pay patients.
Coupons for big savings on lab screenings	Blood will not be drawn on site. Coupons are valid at HCCH until December 20.
Medication take-back	The Sheriff's Department can accept expired or unneeded medications for safe, secure disposal.
Free blood pressure checks	Knowing your blood pressure is an important step in staying healthy.
Child fingerprinting	A child safety service provided by the Harrison County Sheriff's Department.
Information and giveaways	Check out the great exhibitors below!

 to Tana at
 Firehouse 54 Pizza
 for providing each 7-12th grade student and staff member with a FREE ICE CREAM CONE for their birthday!

Scholastic Book Fair

The Scholastic Book Fair was a big hit at North Harrison this year. Many students and community members stopped by to purchase a book or other item. Total sales were just over \$2,500! Mrs. Percell is excited to spend OVER 1,000 Scholastic Dollars stocking the library with new selections.

It is the policy of North Harrison R-III School District to provide equal employment, promotion, and education without regard to sex, age, race, color, marital status, religion, national origin, or disabling condition. Concerns or complaints should be directed to the Superintendent of Schools, Title IX Coordinator, Section 504 and ADA Compliance Coordinator at 12023 Fir Street, Eagleville, MO 64442.
