OCTOBER, 2015

NORTH HARRISON R-III SCHOOL DISTRICT—12023 FIR STREET—EAGLEVILLE, MO 64442

NORTH HARRISON

SHAMROCKS

Greetings from Superintendent Johnson

NH achieves a PERFECT SCORE on STATE PERFORMANCE REPORT!

It is hard to believe that we have already completed the first quarter of a new school year. November is just around the corner, which means it is time to start planning in the event of inclement weather. You can stay abreast of delays, early dismissals, or cancellations best by signing up for Farmers Bank Connection. If we have to change plans due to inclement weather, you will receive a text message on your cellular phone. We will continue to update our website with school information, and radio and television announcements, but the quickest way to be informed is to sign up for Farmers Bank Connection.

The North Harrison R-III School District recently received our Annual Performance Report from the Department of Elementary and Secondary Education. The APR is calculated based on how the district scores in five separate areas; Academic Achievement, Subgroup Achievement, College and Career Readiness, Attendance, and Graduation Rate. I am excited to share with you that our district earned 138 points of 138 points possible to receive an APR rating of 100%. There were only 35 districts of the 574 districts in the state who earned a perfect score.

You may have also read or heard that the North Harrison R-III High School was recently recognized by Newsweek as 1 of the top 500 high schools in the nation. Our high school came in at number 385. I want to congratulate the students, the faculty and staff and the community on both of these tremendous achievements. It is the hard work of the staff and students and the outstanding community support that makes this happen.

This spring will be a new beginning for North Harrison Athletics. We will be fielding a baseball team for the first time. This is a great opportunity for our students. Baseball provides another opportunity for students to participate in a sport where there is a chance to earn college scholarships.

The district is also pursuing opportunities to co-op in football. We have students and parents who are very interested in the opportunity. We have surveyed students in grades 6-12, and while we don't have enough to form our own team right now, the numbers are large enough, especially in the junior high, to make it a real possibility that we could have numbers to support our own team in a few years. A co-op now would be a first step in developing a program that could sustain itself in a few years.

The school district is entering into a joint effort with the city and the boosters to build a track. The city recently purchased 10 acres that joins the school district property directly north of the Early Childhood Center. While this project is in its early stages of planning, I am excited about what this could mean to the school and to the community. The track would be a regulation 8 lane 400 meter track that the school could use to better develop our track programs and to conduct and host track meets for both high school and junior high. The track would also be open for the public to use as a walking track. This property would also house a football stadium in the coming years in the event that we are able to sustain numbers to support it.

I would like to take this moment to thank you for your continued support of the North Harrison School District. Your support is an investment in the future of our next generation of leaders. Without your support, we could not provide all of the wonderful opportunities for our children.

Rick Johnson Superintendent, North Harrison R-III School District

Marching Shamrocks by Bobbie Moore

The North Harrison Marching Shamrocks have had a great season this fall. The marching band competed in three competitions: Carrollton Band Day, Missouri Western University's Tournament of Champions, and Missouri Days Marching Festival in Trenton. The band is judged on different aspects including marching, music, and general effect. The judges want us to sound good and also be able to see our lines and that we are in step. The music department has grown which means we have gotten new equipment and will need more! Currently the band is working on the purchase a trailer to help transport back and forth the equipment that we need at competitions.

Carrollton

Parade 2nd Place

Field Show 2nd Place and Best Field Percussion

Drumline 1st Place

Color Guard 5th Place

Trenton

Parade 3rd Place

Field Show 1st Place with Best Music, Best Marching, and Best General Effect

Drumline 1st Place

Color Guard 2nd Place

Tournament of Champions

Field Show 1st Place

(As you can see the music department has brought home many trophies. They were in need of a display case and acquired one donated to them by the Eagleville High School Alumni Association when they disbanded in the spring of 2015. This case was handmade by the late Kay Eastin and has been moved to a more prominent space located near the music room entrance. Drum Major Bobbie Moore is shown adding this fall's trophies to the display.)

News from the High School Principal

A Great Start to the School Year...

North Harrison students and staff have been very busy this fall. Mrs. Betts and the NH Marching Band completed a very successful season and continue to make a name for North Harrison as one of the top competition bands in Northern Missouri. In addition to parades, the students competed in color guard, drum line, and field show competitions.

Mr. Craig, Mr. Lisle, and the North Harrison Lady Shamrocks were again one of the top softball teams in Northwest Missouri. The softball team matched their school record win total from a year ago with 22 as well as winning both conference and district titles again. The Junior High softball team also matched a school record with 12 wins this fall.

Mrs. Smith and the North Harrison student council had another very successful Battle of the Classes with the seniors winning the competition. The event has proven to be a very popular event with our students.

I'm most proud of our students for their efforts on last spring's achievement tests. These scores greatly factor into our MSIP 5 evaluation which we just received this fall. We received all 56 points possible on academic achievement. This is a reflection of our teachers, student's, and parent's hard work and a commitment to always strive for the best.

Mike Schmidli

Junior High and High School Principal

ShamCheer by Sara Campbell

Cheering for the Junior High basketball teams is (left to right)—Emma Craig, Cheyenne Peterson, Naomi Thomsen, Hannah Whitmire, Kami Gibson, Coach Caitlin Mayden, Sarah Jalas,

Emma Jones, Rainey Fordyce, and Josie Hurt.

The girls were proud to earn the Sportsmanship Trophy at the Winston Junior High Basketball Tournament.

The Shamrock Cheer team has recently welcomed two new coaches, Caitlin Mayden and Gena Gilpatrick.

Caitlin is a Certified Occupational Therapy Assistant who works at the Bethany Care Center and Crestview rehab departments. When she heard about the opportunity to become the North Harrison Cheer Coach she thought it would be a great experience and a lot of fun. Caitlyn cheered in high school and at State Fair Community College in Sedalia. She has a lot of experience and is excited to be involved with the school and community.

Gena Gilpatrick is the second grade teacher and the new junior high cheer coach. We just started our junior high cheer team this year and we are all very excited to show our fans what we have accomplished so far this year.

The Varsity team has been working incredibly hard. Cheering for the Varsity basketball teams will be Seniors Sara Campbell, Alexa Johnson, Allie Stanley, and Alyssa Wynne; Junior Adrienne Fordyce; Sophomores Sarah Jalas and Hannah Whitmire; Freshman Cheyenne Peterson; and 7th graders Emma Craig, Rainey Fordyce, Kami Gibson, and Josie Hurt.

Junior High Boy's Basketball by Grant Claycomb

"Grow two feet and gain thirty pounds", said Coach Purdun. He said this because we're one of the smallest teams in size out on the court. Our team is only made up of 7th graders, involving Brett Emig, Collin Briggs, Hunter Parkhurst, Cruz Ury, Aaron Lundy, A.J. Guy, Skyler Todd, Kady Hukill, and Grant Claycomb. We haven't won any games yet, but we are keeping up with the other teams by what we learn in practice, which is our awesome offensive and defensive skills.

Junior High Girl's Basketball by Coach Schmidli

The 2015 girls team consists of ten members. The team has been practicing since October 6, with a heavy emphasis on fundamentals. The schedule will consist of ten games and two tournaments. The game schedule runs from October 16th until November 20th.

Team goals this season include: learning to play hard and with a lot of energy, becoming a good defensive team, and playing together both offensively and defensively. A favorite quote of mine is "*Success comes from knowing that you did your best to become the best that you are capable of becoming*", as said by John Robert Wooden.

Pictured with their 3rd Place trophy from the Winston Tournament is back row—Carly Rinehart 7th, Emma Craig 7th, Lola Breshears 7th, Josie Hurt 7th; middle row—Kaylee Hilburn 8th, Kami Gibson 7th, Addie Slaughter 9th, Olivia Babinski 9th, Mason Cracraft 9th; front row—Ashlynn Niffen 8th.

First Grade Pumpkin Day

The first grade students really enjoyed exploring pumpkins on October 19th. They read the book "Seed to Pumpkin" and learned all about how a seed becomes a pumpkin. They filled out books about pumpkins and counted seeds with a high school buddy. To end the event the first graders carved their pumpkin and had a lot of fun doing it!

Alonna Milligan carefully counts the seeds in her pumpkin.... an estimate is to count the number of sections in the pumpkin and multiply x 16!

Choir by Alexa Johnson

Hello! We are very excited to see what the choir program brings this year! We are up to SIX BOYS, Woohoo! We are very happy to say our choir is much larger than last year. This year we have had District Choir, which you must audition for. This is a "blind" audition. You must know your key signatures and sight read phrases of music. You must perform a solo of any type of choral music you choose. There were around 200 sopranos that tried out with two from NH, Lexie Johnson, a senior, and Addie Slaughter, a freshman. There were about 150 Altos to try out. Selected from NH was Alyssa Wynne, a senior, and Kelly Briggs, a junior. The District Choir was 159 members with a performance at Platte City High School. This day was meant leaving school super early in the morning, practice singing six songs for eight hours, and then performing a concert that was absolutely stunning. All of the song pieces were beautiful! Those selected to District Choir who are juniors or seniors could audition for State Choir on the same day. For State Choir we sang the voice part you are (soprano, alto, tenor, or bass), sang a Latin prayer song called "Locus Iste". For scoring they combine your district score with your state score. Only four performers from each section are chosen for the State Choir. Our girls worked extremely hard and made up very proud!

KC WOLF by Cooper Cracraft

Do you know who KC Wolf is? Some of you guys might know who he is. If you don't I'll tell you he is the mascot for the Kansas City Chiefs. He came to our school on the 20th of October. Here are some facts about KC Wolf.

He has been the mascot for the Kansas City Chiefs for 26 years. Some of you guys are probably just a little older than that. He has also been a mascot for the Missouri Tigers and the St. Louis Cardinals. When I was talking to him he said his favorite team to be a mascot for was the St. Louis Cardinals. He said he has been to around 30 to 35 schools just in this month. He said he had fun at all of the schools he's gone to. He started thinking about being a mascot in college when the college was looking for a mascot.

Noah Breshears tried on the KC Wolf mascot outfit and pepped up the crowd!

Grandparents Day was on September 13th. We celebrated by having them visit our classroom. We ate cookies and I liked showing them the computers.

By: Jaxcynn 1st Grade

Jaxcynn Hansel

First grade student, Lucian Sweeney, is excited to show his grandfather, Tim, how they use computers in the classroom.

Amplify...Boost Your Impact in FFA by Carli Brenizer

This year our North Harrison FFA Chapter has forty members. We put on and attend many events over the course of a school year. The first of these is our annual FFA BBQ and Work Auction. This is by far the largest fundraiser we have and this year we fed over 400 people! We served pulled pork, cole slaw, cheesy potatoes, and rolls. We are so thankful for all the donations and volunteers we had helping us. Smithfield's Hog Production of Princeton donated all the meat, Mike Quick, Pioneer Seed Salesman, donated all of the paper goods. Jeremy Rinehart, Jason Gibson, Jeff Gibson, and Wyatt Gibson smoked and pulled the pork. Each year we auction off all of the chapter members for an 8-hour work day and this year we raised over \$5,000. We will use this money to attend leadership events, an educational chapter trip, career development event entry fees, plus state and national convention fees.

This year we have eight members attending the National Convention. Earning this privilege is Chase Hukill, Gavin Garrett, Brent Wilson, Logan Craig, Ethan Valenti, Clay Parkhurst, Trey Gilliland, and Jack Hutton. They will attend convention sessions in Louisville, Kentucky and participate in educational tours there and on the way. Five of our 2014 graduates will be awarded their American FFA Degree including Abbe Gibson, Bailey Perkins, Chans Mathes, Luke Stanley, and Hannah Eastin.

On October 10 we held our annual Barnwarming. This is for FFA members only. We had a hayride to Eddie Hale's barn and there we do many fun games such as spitting sunflower seeds, playing Chubby Bunny, and chugging apple cider.

**2015 Barnwarming Queen and King
Haley Craig and Jack Hutton**

Student Council ROCKS by Audry Briggs

This year's Student Council representatives are 7th graders Collin Briggs and Rainey Fordyce; 8th graders Emma Jones and Jacob Hagan, Freshmen Logan Craig and Elizabeth Parkhurst, Sophomores Audry Briggs and Bobby Hutton; Juniors Randy Rinehart and Clay Parkhurst; and Seniors Haley Craig, Alyssa Wynne, and Joslynn Thurman. Selected as officers were Haley as President, Alyssa as Vice-President, and Audry as Secretary.

This year's "Battle of the Classes" was held October 6th. The night was kicked off with the NHHS Drumline performing their show "Primal Instinct". Afterwards THE BATTLE began! Games the classes participated in were straw bale toss, pumpkin carving, doughnut eating, water gun challenge, pumpkin ring toss, limbo, and tug-a-war. We had a great outcome this year with 90% of the eligible 7-12th graders participating. After all the scores were calculated the Seniors ended up with First Place and a pizza party prize.

The Student Council members are responsible for filling the pop machine weekly and leading the Pledge of Allegiance each Monday morning. We are looking forward to a great year!

Hot dogs and smores for everyone!

Cheyenne Peterson's cheer skills come in handy for the Freshman team in limbo!

UP and over for Logan Craig representing the 7th grade in bale toss.

Confident Seniors Drake Fordyce and Bobbie Moore assure their teammates, "We got this!"

Hunter Stevens uses her excellent marksman skills in the water gun race for the 8th grade.

Adrienne Fordyce and Preston Trusty lead the Junior squad in donut eating.

Sophomore Connor Stobbe is working hard for his team in pumpkin ring.

Counselor's Corner

We are off to an exciting year at North Harrison! The senior students are busy applying to and visiting colleges. Most all senior students will have a post-graduation plan in place prior to the end of first semester! All juniors, and any seniors who wish to participate, will be taking the ASVAB test on Monday, November 23, 2015. This test will begin at 8:00 am and will last most of the morning. This test is not only important for those students interested in the military, but also career/interest placement for all students. The juniors will take the statewide ACT test on April 19. Please be sure to keep your calendar open on those dates to avoid any conflicts. Looking ahead, the third through sixth grade students will be taking the statewide MAP tests April 25-April 29. The seventh through twelfth grades will begin testing April 25 as well, and will continue on through May 13. I will have a more detailed calendar closer to time. Please keep this in mind when you are planning appointments that would keep your student from being at school.

All junior and senior students will be participating in a one-day job shadow experience during first semester. This is an excellent opportunity for the students to gain a first-hand look at a career that they may be interested in pursuing. It is very exciting to that so many local businesses are willing to open their doors for our students to take part in this learning experience.

Mrs. Kara Smith
Guidance Counselor

College Fair by Breann Bennett

North Central Missouri College in Trenton hosted its annual College Fair on Wednesday, September 16 in the Ketcham Community Center. Representatives from 35 colleges and technical schools attended. Individuals visited with NCMC students and area high school students. Over 500 students attended from the following high schools: Breckenridge, Cainsville, Gallatin, Gilman City, Lathrop, Linn County R-I, Marceline, North Daviess R-III, North Harrison R-II, North Mercer R-III, Pattonsburg, Princeton, Trenton R-IX, and Tri-County R-VII of Jamesport.

We departed around 8:30 a.m. from school with our guidance counselor, Kara Smith. The boys had a lot of fun trying to "out-do" the record for pull ups at the USMC stand. Drake and Cory actually held the record for that day! Many of the students in our class visited desired college booths and collected extra information packets for the field of study they held interest in. We actually got to catch up with several North Harrison alumni and see how they liked the college life. I think everyone enjoyed themselves and learned a lot of helpful information! It was a great day!

Brandy shows off her new laptop!

"My Success Event" by Brandy Rivet

The "My Success Event" was held by the St. Joseph Chamber of Commerce.

This event brought 2,500 students together (51 high schools) out of the Northwest Missouri area, to help get a better idea of jobs that are available. Seventy areas of business were at this event to help us learn more about the job path we were most compatible with. 2015 was the ninth year for the "My Success Event". Mrs. Kara Smith sponsored the sophomore class of North Harrison. At each booth we went to and participated in we were given a ticket. At the end of this event, we all put our tickets in a bag and out of that a grand prize winner was chosen. Bobby Hutton won a \$35.00 iTunes gift card, Brennan Gilliland won a T-Shirt, and I, Brandy Rivet, was the grand prize winner out of the 2,500 students which was a Lenova G50 Notebook with a Windows 10 operating system. I feel like this event was a great experience for the sophomore class at North Harrison, because it exposed us to jobs we may have not even heard of due to us living in such a small town.

We were fed lunch at the event, and also at the Wendy's in Cameron. Once again, it was a very great day to be a Shamrock!

Sophomores Bobby Hutton and Danny Martinez visit with 1994 North Harrison graduate, Dan Hill, about a career in law enforcement.

Be In "THE KNOW"

North Mercer Junior High Tournament November 9-13, 2015

Girls:

Pool A: Mercer, Grundy County (W), E. Harrison
Pool B: Grundy County (B), Gilman City, N. Harrison
***Tie Breakers: Head to Head, Point Differential (+15 Maximum), Coin Toss

Monday:	Gilman City vs. Grundy County (B)	5:00
	Grundy County (W) vs. East Harrison	7:30
Tuesday:	North Harrison vs. Gilman City	5:30
	East Harrison vs. Mercer	8:00
Thursday:	Grundy County (B) vs. North Harrison	5:30
	Grundy County (W) vs. Mercer	8:00
Friday:	Pool A Second Place vs. Pool B Second Place	5:00 (Winner 3 rd Place)
	Pool A First Place vs. Pool B First Place	7:30 (1 st and 2 nd Place)

Boys:

The Scholastic Book Fair will have a variety of books for all ages this year! The fair will run from November 4 to 11. Regular hours will be 3:30-4:30 each school day, Monday through Thursday.

Family night will be Thursday, Nov. 5, from 3:30-7:00.

Sign up to win a free book, shop for your child's classroom, browse and Christmas shop before the game on Nov. 5. Visit our fair web page at <http://bookfairs.scholastic.com/homepage/northharrisoncor3schdist>

OR find our fair homepage at scholastic.com, click on "Book Fairs", then families, scroll to the bottom to search the site for our fair,

OR find the quick link at www.nhr3.net.

Lady SHAMROCK SOFTBALL by Kiley Gibson

The North Harrison Lady Shamrock softball team had yet another successful season! We finished off the year with an overall winning record of 22-4 and a 7-0 undefeated conference record. We went on to win our fifth HDC Conference Tournament title in a row. We won first in the Albany Tournament and fifth in the Trenton Tournament. Seeded number ONE for district play, we faced North Mercer for our first round game and won. We then faced Albany for the Championship game and defeated them 5-0 for the District 15 title. We didn't give up a single run in district play and were also back-to-back district champs. Our next match up was against the Stanberry Lady Bulldogs. This game was played on our home field for the Sectional Title. Unfortunately, we lost a close extra-innings game 3-4. We are really going to miss our seniors next year, but are hoping for another great year and to get closer to our State Championship goal.

SHAMROCK SOFTBALL by Alyssa Craig

The North Harrison Boy's Softball team ended their season with a record of 4 wins and 8 losses overall. The boys were 3-3 in the HDC Conference and got 4th place in the HDC Tournament. During the HDC Tournament their second baseman (Logan Huitt) dislocated his shoulder before their last game. This injury put him out for the rest of the season. Some of the boy's memories from the season include cheering with belly letters at the Lady Shamrocks Sectional game, beating Tri-County 24-6, and the bus rides listening to the "Milwaukee".

Haley Craig
Senior, Shortstop
Unanimous HDC 1st Team
All-District 1st Team
All-Region 1st Team

Payton Craig
Sophomore, Pitcher
Unanimous HDC 1st Team

Holiday Hoops features varsity basketball teams from Missouri, Iowa, and Nebraska playing at North Central Missouri College in Trenton. The North Harrison Shamrocks will play TWO games during the event in 2015. You can visit the facebook page of Holiday Hoops at www.facebook.com/ncmcholidayhoops to keep up with the latest developments, the schedule, photos of activities and to offer to volunteer!

Our Junior High Softball team went 12-4 this 2015 season, winning 12 and losing 4 games. We placed 1st in the North Harrison Tournament, playing three games, and losing none.

I had so many great memories this season and some very good experiences and, could not be more proud of our team. It was hard to choose just one great memory, but I think my favorite, looking back now, was Coach Schmidli's never ending encouragement. Through every game, and practice, and whatever else we were doing, I remember that Mr. Schmidli was always encouraging us to do our best and was very supportive, no matter what. When asked about the season, Mr. Schmidli replied, "Despite a very tough schedule, this group of girls was able to win 12 games which tied the 2013 team for the most wins by a North Harrison Junior High softball team. They were very competitive with some of the best teams in the area. I am very proud of what they were able to accomplish this season." It was a great season, and I can't wait to see what the future holds.

The Junior High Girl's Softball Team wins North Harrison's six-team tournament.
Front Row: Ashlynn Niffen—8th.

Center Row: Carly Rinehart-7th, Kloye Thraillkill-7th, Emma Craig-7th, Rainey Fordyce-7th, Kami Gibson-7th, Kylie Pottorff-8th, Lola Breshears-7th.
Back Row: Josie Hurt-7th, Kaylee Hilburn-8th, Kenna Slaughter-8th, Hunter Stevens-8th, Naomi Thomsen-8th.

FFA Fruit Sales

Taking orders through November 1.
If you would like to order and do not get contacted, please call the school before noon on Monday, Nov. 2.

Fruit and fundraising delivery will be during the second week of December.

Thank you for your support of NH

Welcome to the MONSTER BOOK FAIR

Coming to North Harrison Library
Nov. 4-11

National Honor Society by Bobbie Moore

The National Honor Society is made up of fourteen members. We have four officers: President Bobbie Moore, Vice-President Breann Bennett, Secretary Allie Stanley, and Treasurer Haley Craig. So far this year the National Honor Society has hosted the community blood drive. The blood drive was held on September 22. We had 22 donors give blood. The NHS members helped set up, clean up, and also helped the donors if they weren't feeling well. Next, the NHS will be helping set up the Scholastic Book Fair.

Breann Bennett gives the Blood Drive a big thumbs up!
