

The Oregon Country pages 356-360

Where was the Oregon country? What four countries laid claim to that area?

In your own words describe how the Adams-Onis Treaty impacted the Oregon Country.

After reading about Mountain Men, decide how the fur trade in Oregon aided Americans who began settling there.

Write a newspaper article describing the Whitman Mission and the ensuing “great migration.” Include details from Settling Oregon.

What was Manifest Destiny and how did it justify Americans moving all the way to the Pacific Ocean? Where was a boundary agreed upon by the British and Americans?

Consulting a modern map, follow as closely as possible the Oregon trail. Each student, then, will be responsible for researching at least one location along the route and make a short speech on how the pioneers might have seen it versus what it appears like today.
