Dear Parent/Guardian:

This notice is to serve as a reminder of the North Harrison R-III School District's Meal Charge Policy and to notify you of a change to the maximum allowed charge within the policy. The North Harrison Board of Education recently INCREASED the amount of allowed meal charges to \$25.00 for all students. For any student who owes more than \$25.00, a designated menu alternative may be offered to the student. Alternative meals will meet the federal requirements of a meal and the child will be charged for the meal according to their current status (free, reduced or full price).

If your child currently owes \$25.00 or more, please send payment for the balance owed. If your child owes a balance more than you are currently able to pay in full, please feel free to contact me to make arrangements for payment of the balance. An agreed upon payment plan, with progress being made toward full payment, will be acceptable and will exempt your child from this policy as long as progress toward payment in full continues according to the agreed upon plan.

Enforcement of this policy will begin February 4, 2019.

Sincerely,

A handwritten signature in cursive script that reads "Todd Willhite".

Todd Willhite
Superintendent
