North Harrison R3 School District Parking Lot Project 2

Spec Sheet – February 2026

Project 2 – Drainage and Sidewalk Replacement from Elementary Doors North Along the Early Childhood Center (ECC).

Part 1: Drainage

- a. Connect all down spouts from Elementary building to a new installed drain tile that flows to the existing drain at the northwest corner of the parking lot.
 1. This drain tile will be installed between the building and the new sidewalk.
- b. Install a French drain from the east side off the ECC west to the existing drain in front of the building.
- c. Connect all down spouts from the ECC to the installed French drain tile.

Part 2: Sidewalk

- a. Demolish the sidewalk from the ECC sidewalk to the Elementary doors and connected 8' section of entrance sidewalk in front of the Elementary doors.
 1. This will move the sidewalk 8' closer to the building.
- b. Move Elementary sign and flagpole closer to building.
- c. Replace sidewalk from elementary door and connect with the ECC sidewalk.
- d. Replace and install new retaining wall beside sidewalk by air conditioner units.

Part 3: Parking Lot Grading

- a. Re-grade parking lot so that water will flow towards the existing drains.
- b. Grade and install rock between the Elementary building and sidewalk.
